

Slide List for "The Limestone Barrens of Newfoundland"

Slide 1 – Cover

Slide 2 – Scenes of the limestone barrens

Slide 3 – *Salix jejuna*

Slide 4 – *Salix uva-ursi*, *S. arctophila*, *S. glauca*

Slide 5 – *Salix vestita*, *S. reticulata*, *S. calcicola*

Slide 6 – *Salix candida*

Slide 7 – *Salix argyrocarpa*, *S. humilis*

Slide 8 – In cultivation: *Salix calcicola*, *S. candida*, *S. reticulata*

Slide 9 – In cultivation: *Salix jejuna*

Slide 10 – Ericaceous shrubs: *Empetrum nigrum*, *E. eamesii*

Slide 11 – *Arctostaphylos uva-ursi*, *Pyrola asarifolia*, *Rhododendron groenlandicum*, *Vaccinium vitis-idaea*

Slide 12 – *Arctous alpina*

Slide 13 – *Vaccinium uliginosum*

Slide 14 – *Rhododendron lapponicum*

Slide 15 – Other woodies: *Betula pumila*, *Shepherdia canadensis*

Slide 16 – *Dasiphora fruticosa*, *Juniperus horizontalis*, *J. communis*,

Slide 17 – Tuckamoore: *Abies balsamea*, *Larix laricina*, *Picea glauca*

Slide 18 – Tight buns: *Diapensia lapponica*, *Silene acaulis*

Slide 19 – Saxifrages: *S. paniculata*, *S. aizoides*

Slide 20 – *S. oppositifolia*, *S. caespitose*, *S. rivularis*

Slide 21 – Asteraceae: *Erigeron hyssopifolius*, *Tanacetum huronense* var. *terrae-novae*, *Solidago multiradiata*, *S. hirsuta*

Slide 22 – *Antennaria alpina*, *A. howellii*, *A. eucosma*, *Packera pauciflora*, *Arnica alpina*, *A. lonchophylla*

Slide 23 – Fabaceae: *Oxytropis terraenovae*, *Astragalus alpinus*, *Hedysarum boreale* subsp. *mackenzii*, *H. alpinum*

Slide 24 – Brassicaceae: *Draba incana*, *D. norvegica*, *D. glabella*

Slide 25 – *Physaria alpina*, *Cochlearia officinalis*

Slide 26 – *Braya longii*, *B. humilis*

Slide 27 – Rosaceae: *Dryas integrifolia*, *Potentilla nivea*, *P. crantzii*, *Sibbaldiopsis tridentata*, *Rubus arcticus*

Slide 28- Caryophyllaceae: *Cerastium alpinum*, *Arenaria rubella*, *Sagina nodosa*, *Stellaria longipes*

Slide 29 – Orchids: *Platanthera huronense*, *P. obtusata* var. *collectanea*, *Pseudorchis straminea*, *Amerorchis rotundifolia*, *Calypso bulbosa*

Slide 30 – *Cypripedium pubescens*

Slide 31 – *Primula*: *P. laurentiana*, *P. egaliksensis*, *P. mistassinica*

Slide 32 – Gentianaceae: *Gentianopsis detonsa* subsp. *nesophila*, *Halenia deflexa*, *Gentianella amarella*, *G. propinqua*, *Lomatium rotatum*

Slide 33 – Miscellaneous alpine: *Bartsia alpina*, *Campanula rotundifolia*, *Iris hookeri*, *Parnassia glauca*, *Anemone parviflora*

Slide 34 – *Rhodiola rosea*

Slide 35 – *Cornus suecica*, *Chamerion latifolium*, *Pinguicula vulgaris*, *Viola selkirkii*, *Caltha palustris*

Slide 36 – Ferns: *Athyrium distentifolium*, *Cystopteris fragilis*, *Polystichum lonchitis*, *Woodsia alpina*, *W. glabella*, *Asplenium viride*

Slide 37 - Finale
